# About us

SIEA was established in 2014 and it has travelled a long way since then. Initially setup as a rice manufacturing and trading house, it is growing to become a consumer staples organization. During the initial years, SIEA exported rice to the Middle East, United Kingdom and the United States

Gradually expanding its reach, SIEA has developed a market for its rice in more than 38 countries, thereby achieving the title of the Largest Rice Exporter in India. In recent years, SIEA has endeavoured to reach the consumers directly with its brands and products. By placing its products on the shelves of several major retailers in India and abroad, SIEA has ensured that the end consumer always has easy access to their high-quality products.
